Linda shared the budget report. We raised more money than expected so we were able to give out more money last year. It looks like we will not have a program this year. The only way we can do it is to have someone step up and coordinate. We have great sales last week at the concession booth we made about \$6400.

We purchase discount cards and the clubs sell them. We have about 150 left. The entire profits are donated to the clubs that sell them.

The big fundraiser will be March 4th. It is Trivia Night. We ask clubs to donate a basket to raffle off. The most difficult part is getting donations. We can always use assistance for that. Dance team is off to a good start. They attended camp this summer. They are working on Homecoming and Competition routines.

Band has a competition this weekend in McHenry. They have another competition next weekend. They're doing a great job this year.

Football the new coaches seem to be melding really well. The team is doing well. Another big game again this week.

Lacrosse is in offseason. The season will start in the spring. The program is really growing. Right now it's a club. ISHA will recognize it as a sport in 2018. Every school has a JV and Varsity team.
