TIGER PRIDE

Program Guide Fundraiser 2012/2013

Our Tiger Community

In this ever changing

world, in this ever changing economy, local schools along with the students and parents are more challenged then ever! Finding new ways to raise money that supports our students in every way imaginable, from uniforms, to music rights, and sports equipment, has become a bigger challenge! We are proud to live and raise our students in this community and have enjoyed the support of all our local business' for many years. We come to you now with a new twist on an old idea! Most of our groups do some sort of individual fundraising, some do program guides or calendars! When they have done them in the past, they have used a publishing company that does most of the work for them.. However they also take most of the profit! Learning a lesson from our District Partners, we have decided to pool our manpower and bring you the opportunity to support our students and know that the Lions' share of your donation is going back to the School and Students in your Community!

Along with the long list of advertising from our local businesses, you will find team rosters, team photos, schedules and more!

In exchange for your generous donation, we will be inviting you and your staff to our Home Events for Recognition in your community, We will also be announcing your participation at all Home Football Games and printing a Donor List in all programs for Musicals and Concerts at our School! What better way to get your name out to the shoppers in your community!

For Certain levels of donation (\$300 and Above) we will include a link to your Business Web-site from our Booster Page as well!

We strongly encourage our students, faculty and parents to shop at local businesses and make every effort to use Local Businesses for all our Vendor Needs! We enjoy a wonderful Community Relationship and want to continue that for years to come!

This Year's Program Guide will be available at all Home Events while supplies last!
