

Show off your Tiger Pride... Become a Family Patron!

The Crystal Lake Central Booster Club is one of the few in the area that supports **ALL CLC groups**—academic, arts, athletic, and social.

In recent years, the CLC Boosters has given back as much as **over \$60,000** to benefit the students and also awarded (5) \$1,000 scholarships annually to graduating seniors!

If you have a student at Central, you are automatically a member of the Boosters and there are many ways you can help us help the students. We always welcome volunteers and those willing to give their time!

You can also support our programs by becoming a Family Patron...

Any amount is appreciated, but we offer various benefits for the following levels:

All levels above \$25 include a Family Patron window cling

Orange (\$25) - Family name on boosters website, some programs

Black (\$75) - Family name on website and in all programs for events, shout out at select home games

Platinum (\$250) - Family name on website, all programs, shout out at select home games, other custom recognition to be determined

Donations can be made online at:

clcboosters.org/donations/familypatron

501c3 nonprofit, tax letter available upon request, contact us with any questions!
