

Indoor Concession Stand Volunteer Information

Boosters Board Members will be around to answer questions and help out. Find the manager on duty for change or to pay for deliveries. Thank you for your help!

Some basic rules-

- Kids under 18 are not allowed in the stand (insurance) and cannot purchase 50/50 tickets
- We do not want to police birthdays, so we ask that current students do not volunteer

- No gum allowed in concessions stand (health dept specifically mentioned this)

Coaches sometimes order extra pizza for the team.
