

# Show off your Tiger Pride... Become a Family Patron!

The Crystal Lake Central Booster Club is one of the few in the area that supports **ALL CLC groups**—academic, arts, athletic, and social.

In recent years, the CLC Boosters has given back as much as **over \$60,000** to benefit the students and also awarded (5) \$1,000 scholarships annually to graduating seniors!

If you have a student at Central, you are automatically a member of the Boosters and there are many ways you can help us help the students. We always welcome volunteers and those willing to give their time!

## You can also support our programs by becoming a Family Patron...

Any amount is appreciated, but we offer various benefits for the following levels:

*All levels above \$25 include a Family Patron window cling*

**Orange (\$25)** - Family name on boosters website, some programs

**Black (\$75)** - Family name on website and in all programs for events, shout out at select home games

**Platinum (\$250)** - Family name on website, all programs, shout out at select home games, other premium recognition available

**Donations can be made online at:**
